

In response to COVID-19 and local and state ordinances in place, we are holding all sales via Simulcast and our other digital channels. Our offices and lanes are closed at this time, but limited lot access is available at select Manheim locations for inventory preview. Please view our Auction Tracker for details regarding specific locations' sales, gate hours, lot access, transportation and other effects.

## U.S. Locations

Manheim is the world's largest, most comprehensive wholesale vehicle marketplace. With more than 100 operating locations worldwide, we bring qualified buyers and motivated sellers together at live, competitive auctions.

Manheim locations also provide an array of products and services like reconditioning, inspections, dealer financing, transportation, title management, and marshalling.
